

2021 MEETING DETAILS

Regrettably, due to Covid-19, we will once again *not* be holding an Annual Meeting in 2021. The health and well-being of our members and guests is of chief importance to us.

2022 Annual Meeting arrangements are underway, and will be posted on this site when they have been finalized. They will also be included in *Flagon & Trencher News* which is circulated to members prior to the holding of an annual meeting – usually in March or April. No *Flagon & Trencher News* publication was produced in 2020. We likely will not produce one in 2021 either, which will mean the 2022 issue will be somewhat larger than normal.

Thank you for your patience and understanding.

Alex Bannerman, KOTR
